named Curly, had on Saturday preceding made up a quantity of root beer which he boiled in a large earthen vessel, and of S.D. ELWOOD, Secretary. A Democratic County Convention will be held at the Count House, at Saginaw City, on Saturday, the Bith day of May, at 2 o'clock P. M., for the purposes and vomiting. On Monday morning, some nineteen persons had been attacked, and during the day Andrew Ott, one of the victims, about 25 years of age, died. Dr. Downer, of this city, was promptly called on Monday, and under his care the others are now recovering. On examination for the cause of poisoning, it was discovered that the giazing of the earthen discovered that the giazing of the event and the properties of the County Convention will be held at the United States to afford ample and convenient to the partook. About ten o'clock in the evenvessel in which the beer was made had been entirely dissolved, and its constituents being rank poison and been imparted to the liquid which had been drank. for 4 o'clock to-morrow (Friday) after-Under all the circumstances, it is miraculous that it did not prove fatal to more. -Oscorso American, 5th,

Log RUNSING .- From B. A. Ripley, Esq., who last winter got in a large lot of logs, in town 13 North, to run down Black River, we learn that he has not yet been obliged to stop running logs, though a part of the time it has been pretty slow work. His men have been at work a good part of the time, where, within the past two years, the channel of Black River has been opened out through town in these townshad been run down through the channel thus opened, to the main stream, and one good rain would entirely there up to Tuesday night. clear out the river near its source,

In opening the channel last fall they discovered large charred trees, nearly ly lain there for centuries, as large trees the following day, size die. John Benn, party went before the nation and achieved and commenced boring on the margin of not venture a conjecture .- Sanilae Jeffer

TIMBER STEALERS IN LIMBQ -- G. W. Wilson, Deputy U. S. Marshal , informs the advertisement of J. B. Scorr, Ship an explanatory clause, asserting the duty no shaft has been sunk in this region at north of Grand Haven, a large quantity of shingle, shingle bolts, saw logs, and we know from a long acquaintance to be Haven. 1000 feet of hewn timber in rafts will be sold at Grand Haven next facilities for doing business in his line. Wednesday. Two timber stealers have been arrested and lodged in Detroit jail, had become quite bold in their operations number of arrests have been made in the general satisfaction. Saginaw district, and there appears to be a determination to break up these lawless depredations upon the Government lands,-Ionia Gazette, May 9th.

THE WEATHER .- For the last ten days we have been shivering with cold from complished the whole object for which it northern winds: severe frosts accompany these cold and freezing nights. We cannot say at present what effect the frost though twenty-five or more States were has had on the fruit, but we are inclined to the opinion that fruit in these parts is twelve States alone appointed regular without any backers, and the delegates wheat looks remarkably well in this county; the oldest settlers say that the whole the county is the oldest settlers say that the whole the county is the oldest settlers say that the themselves. This applies more especially to be a provision of them went out, and thus severed in the settlers have been appointed of them went out, and thus severed in the settlers have been appointed to the whole thing ("unsight and county of featella, State of Michigan, Commission to look as provision out to l to look as promising as it does now. — to the northern States, for in the southern Our own observation is that a great yield States the opposition vote will doubtless is in prospect.— Valparaiso (Ind.)
